### List Of Eligible Voters Is Posted For ASC Committee Elections

A list of the names of all known eligible people to receive ballots in the upcoming annual ASC Committee election is available in the county ASCS office, reports David W. Eaddy, County Executive Director. Farmers began nominating candidates for the ASCS election on October 8.

ASCs, an Agency of the U. S. Department of Agriculture, is responsible for farm program administration. On the local level, ASCS operates under a farmer-elected committee system. This year's elections will be by mail ballot between November 27 and December 7. Voters may also get ballots at the county ASCS office.

Anyone who meets the following requirements is eligible to vote in these farmer committee elections: any individual of legal voting age with an interest in a farm as owner, operator, tenant, or sharecropper who is eligible to participate in any ASCS program.

Several general provisions relate to ASCS voter eligibility. A wife who operates a farm with her husband can vote if her name is on the deed of conveyance. Any person under legal voting age can vote if he or she runs a farm, and a legal guardian who runs a farm for a child can vote for the child. No person can be denied the right to vote because of race, color, religion, national origin, age, sex, marital status, or handicap.

A person may cast a ballot in any county in which he or she is an eligible ASC voter, but he or she cannot vote in more than one community. If an eligible voter has separate farm interest in more than one community in the same county, special care will be taken to see that only one ballot is issued to that voter.

Farmers Are Asked To Make Nominations For The ASC Committee

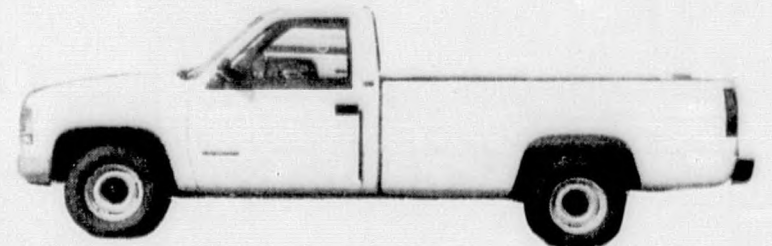

Farmers are asked to nominate candidates of their choice by November 27 to be on the ASC Committee ballot, said David W. Eaddy, County Executive Director.

The ASC Committee election will be conducted from November 27 to December 7 by mail ballot. ASC Committees C, D, & E in Coffee County LAAL will hold election this year.

### NEW COMMISSION TAKES OVER NOV. 9

## County Commission holds final meeting

by Marvin McLwain  
Editor

On Monday morning, the present Coffee County Commission held its final meeting before turning the reins of leadership over to a new commission.

The meeting agenda was short and the majority of the meeting was spent with commission members hearing praise on one another.

Commission Chairman Billy Egerton told commission members, "I can assure the public that you all are dedicated to Coffee County because I've seen your work and what you have done. It's been a pleasure working with each one of you."

Commissioner Danacus Crittenden said, "It's been good working with you all. If you don't think we've got a good county, just ride over somebody else's."

"I've enjoyed part of it - some of it I didn't," said Commissioner Sid Averett.

Averett commended Commissioners Dubose, Bradley, Crittenden and Egerton for the job they had done. "You have a special place in my heart," he said.

Commissioner Jim Dubose said, "I'll always hold this as a special place in my heart. I can honestly say that the people of Coffee County are, without a doubt, some of the best folks that there are in the world."

Commissioner Bill Faulk praised the commission for their ability to vote "their convictions" and commended each of them for the job they had done.

Of the accomplishments that had been achieved by the commission, Commissioner Robert Stephens said, "No one did it by themselves."

"I feel that the county is in good financial condition...other counties are not," said Stephens.

"It's been a pleasure serving with each of you," said Commissioner Eugene Bradley. "My prayers go with the new ones [commissioners] taking office."

County Engineer Mark Pool told commissioner, "We've been through a lot. No matter where I am in my career, I'll always remember working with you. You've been a very progressive group."

Pool read a list of things that had been accomplished by the present commission. Among the things listed were: 26 new bridges, 143 miles of county roads resurfaced, paved several dirt roads, applied for and received more than \$4 million in state and federal grants, constructed a new county jail, health department facility, DHR building, and district attorney's office.

He also noted that a new highway department engineer's office had been built and that the county shop had been revitalized.

Sheriff Brice Paul, the only person appearing on the meeting agenda, came before the commission requesting that the road to the new jail be paved.

He noted that the red clay road was causing him some housekeeping problems. When it rains, people are tracking red mud onto the carpet in the sheriff's office and also into the jail.

Chairman Egerton commented that it had been agreed upon by the commission to pave the road with the county doing the work.

Paul asked that the road be "placed on the list" for roads to be paved.

After a short discussion between Sheriff Paul, the commissioners and the county engineer, it was agreed that the road would be paved as soon as is practically possible.

In accordance with a ruling handed down by U. S. district judge, the new commission will take office on Monday, November 9th, following the general election on Tuesday, November 3, 1992.

Four seats on the commission have already been decided. They are: Wendell Black, District 1; Robert Stephens, District 3; Ernest "Doc" Brooks, District 5; and Bill Faulk, District 7.

The District 2 seat is being contested between the Democratic nominee Lawrence Creel and Republican nominee Roy G. Hilton.

Vying for the District 4 seat are James L. Hanson, the Democratic nominee, and the incumbent and the Republican nominee for District 6, is being opposed by Randy Lunsford, the Democratic nominee.

The swearing-in ceremony for the members of the Coffee County Commission will be held on Monday, November 9, 1992, at 9:00 a.m. in the commission chamber.

Other action taken by the commission was as follows: \*\*\*A motion to purchase a new pickup truck for the Coffee County Unit of the Forestry Service was tabled.

The commission heard a request from the City of Elba for site approval on an inert landfill located south of U.S. Hwy. 84 near Elba. A public hearing on the matter will be advertised for December 14th.

\*\*\*Agreed to send out bid requests for additional road stripping on county roads.

\*\*\*Voted to pave Whiskey

TRASH DUMP The Elba City dump, located behind Hickman Moving & Storage, will be open Monday through Friday from 7:00 a.m. until 4:00 p.m. and on Saturday from 8:00 a.m. until 1:00 p.m.

### PAT BOOTH'S QUESTION STILL UNANSWERED - OTHER QUESTIONS RAISED

## Special Elba W & E Board meeting solves nothing

by Ferrin Cox  
Publisher

The Elba Water & Electric Board met in special session Monday evening in another chapter in the ongoing saga of "Who hired? Who fired? Who pays? Pat Boothe."

Opening the meeting, Chairman Mickey Murdock noted Mrs. Boothe had received a certified letter on October 20 informing her that she had been fired.

Two weeks ago, on October 5, the utility board heard Mrs. Boothe tell them she had been fired by Mayor or Rickey Haywood.

She questioned his authority to fire her from the utility, presenting copies of a 1985 board resolution reserving that right to the board itself.

In light of that resolution, the board voted to put her back on the payroll pending a review of the legality of her firing.

Haywood immediately placed her on administrative leave with full pay and benefits.

That ended October 20 when he again fired her and paid her for the three days since the last pay period ended.

Haywood presented the Board with legal opinions on two different matters he said dealt with this situation.

One was on a city ordinance (1992-3) passed in the last weeks of the last administration and board members noted this was the utility board and not the city and the ordinance didn't deal with utility board employees.

The other opinion, from another attorney which says that the 1985 resolution reserves hiring and firing authority which says that the 1985 resolution reserves hiring and firing authority.

Murdock injected, "Another way to look at it is 'If the mayor is going to run the town, why have this board?'"

Sonny Inman asked why she was fired in the first place?

Haywood said her duties coincided with those of the city clerk.

Brunson said he valued these legal opinions but, "we must recognize that opinions can differ. We get a lawyer, they get a lawyer, everybody has got a lawyer and every lawyer has got an opinion. Often these opinions differ - if they didn't, we wouldn't have litigation."

He added that if it is left to a court to decide, it will wind up costing us (the utility). "If we litigate and win, it is going to cost us," he added.

Velveton asked, "Why are we looking at a technicality to rid ourselves of certain people?"

power for the board, former Mayor Fred Moore had no authority to rehire Mrs. Boothe.

Board member Bill Brunson said, "I wish I could see clearly on this. I can say it can't continue, if we don't get a grip on these personnel matters, they will consume us."

Haywood questioned the 1985 resolution and asked if the W & E Board would try to run the City in the place of the elected mayor.

Board member Gladys Yelverton, who also serves on the city council said, "The election of the mayor and what it does with the W & E Board, based on the Code, if I am not mistaken, the electric board is an entity by itself and I don't think it said the board would act as mayor."

"If the mayor is going to run the town, why have this board?"

MickeyMurdock

Haywood said the resolution read that the Board had hiring and firing authority.

He added that if it is left to a court to decide, it will wind up costing us (the utility). "If we litigate and win, it is going to cost us," he added.

Velveton asked, "Why are we looking at a technicality to rid ourselves of certain people?"

Haywood said he was trying to surround himself with people he is comfortable with. "Past administrations have done this and yet I am being persecuted because I want to change the people in these positions - and I don't understand it."

Brunson responded, "If the superintendent has the authority, you are terminated; if the Board has the authority, you are not terminated...in other words, I don't know."

George Honyak then addressed the board and reported he too had been terminated.

Assistant Superintendent Henry Clark spoke up and said he wasn't fired, but was laid off. He added the man had been offered another job that day.

Honyak explained he had been employed since January 1991 and had worked in several different jobs, including that as safety officer for both the utility and the city.

The board took no action on Honyak's termination following Clark's statement he had been offered a position on the cardboard recycling track.

"Ed Compton does first one thing and then another..."

Henry Clark

When asked about the new duties of Ed Compton with the utility, Clark said, "Ed Compton does first one thing and then another."

Mrs. Pat Powell addressed the board with the opinion citizens could discuss their opinions with their respective elected representative and let that individual be the spokesperson. She said, "I have sitting back here for about two hours listening to our governing body and I am more disturbed now than when I came in here."

The meeting adjourned without resolving the issues which prompted the called meeting. The motion to get another legal opinion also calls for another special meeting, once that opinion is received.

new general's opinion indicating the city council has the authority to appoint a city attorney. Following several seconds of silence, Haywood moved on to the next item of business.

It was only at the end of the meeting when asked by this newspaper for clarification did the council address this any further.

The Mayor explained he had not asked the council because the attorney had already been hired. Upon further questioning of "Does the absence of any comment by the council constitute a vote of approval," the council passed a motion to take any action on the city attorney until the next meeting.

It was announced that Trick-or-Treat would be observed in Elba from 5 until 7 on Saturday night.

Haywood also announced that new auditors had been appointed. The firm of Marsh-Carr-Galloway-Lolley and Averett will audit the city books. The mayor explained the new auditors will deduct from their \$12,000-\$14,000 fees any reasonable amount for work the previous auditors have already completed.

## BRAINSTORMS

With Ferrin Cox

The situation at the schools ain't over but it has quieted down a bit. This doesn't mean anyone thinks it is in the past, it just means the problems, or perceived problems, will be addressed in a more orderly manner. We have been assured by the administration that each and every concern of parents and teachers alike will be given full consideration.

Things have not eased off one bit at city hall. In fact tempers seem to have heated up a bit more among our leaders. One city official's concern that we "could" draw a line in the sand "could" be classified as 20-20 hindsight because it has already been done. We anticipate voicing some opinions, even though the original issues may have been lost in one or more personal power struggles. If you still believe in civilized people doing civilized things, this whole matter may be settled before we get another chance to comment. So be it. Today we have got to talk about next week's election or ours will be hindsight also.

The presidential race is shaping up to a point where no one can say for sure which candidate will be the winner. We have settled on helping George Bush get another four years. We don't like everything he has done ... or hasn't done ... but Bill Clinton wants to tax us and go further in debt. Ross Perot, well, we would still like to have some money invested where he is investing his, but not for president. He can't do what he wants to do ... not in Washington D.C.

We don't hesitate to pull the lever for Richard Shelby in the U. S. Senate race. He is worthy of our support going in. Looking at his taken option ... they ain't.

Choosing someone for the U. S. House seat being vacated by Bill Dickinson makes us squirm. We are going to vote for someone, rather than leave the decision to our friends, but which one? After deciding we just can't go with Little George, and the Independents don't excite us, we are left to vote for Terry Everett, the Republican candidate. He being a newspaper man is not what caused us to vote for him, but it could have caused our reluctance to fully embrace the man. They say that sometimes, "Familiarity breeds contempt" and we could qualify for that here.

Moving down the ballot we hit a string of judges. We go with four Democrats on these. R. P. Almon, Janie Shores and J. Gorman Houston should all be three returned to the Alabama Supreme Court, and Sharon Yates is our choice for the Court of Civil Appeals.

Our lifelong friend, Jim Sullivan, continues to get our support in the Public Service Commission race. We think he is doing a good job and the man is honest.

We debated over even mentioning the local Circuit Judge race but will anyway. Both candidates are "nice guys" but we will vote for John Crawley. He has shown the goods to be a strong judge and we need that in America. Bill Barr could possibly do just as good, but we know what we have with Crawley and like it. We hadn't even thought about this until a area lawyer, using his "lawyresque" began an accusing us of supporting Crawley.

That is all the local races we will dabble with but there are two amendments on the ballot. We will dispose of Number 2 first. It actually deals with the Pell City school board and we are going to let those folks decide that matter.

Number 1 is important. It is the long one we have been advertising for the past month and has acquired the title "Forever Wild". We will be voting for this bill. Here is what it does. Some interest money from the invested Oil Depletion Taxes will be used to buy and preserve land, caves, swamps, beach front, etc. in its natural or wild state. A committee of qualified experts will select the property to be purchased.

## We Get Letters...

Dear Ferrin:

In reference to your recent articles on the school situation and the dismissal of Mrs. Pat Booth. It is my personal opinion that Mr. Charles Clark is being accused of policies that he should not be. In my opinion we have the finest principals and teachers of any school in our area. I have known Mr. Clark since he was a young man going to Elba Schools. To my knowledge he is never a person to cause any teacher a "hard" time.

We have a wonderful school complex of which I am very proud of, although I do not have children at the schools. I have had four children attend the school system in years past. One graduated with honors and went to the university and graduated Phi Beta Kappa. The other three are also college graduates who have very responsible positions at the present time. Yes, they had their share of problems and when they would come home and tell us about them. We always told them the teacher was right and she was the one who had the roll book and grade book. I have always told them the teacher was right and she was the one who had the roll book and grade book.

The firing of Pat Booth was one of the worst thing I have heard of. As Captain of the Rescue Squad for three years I had to go to Pat for business concerning the squad and I have always been treated with courtesy and Pat took care of our business.

Having served on the City Council for one period I was of the understanding the Mayor could not legally fire an employee without prior approval of a vote to do so by the Council.

We have a wonderful school and our city business has been handled in an outstanding manner. Some might say that I am meddling in something that is not of my business but being a citizen of Elba it is my business. For thirty years my wife and I have made our living out of Elba but we spent our income with local merchants; therefore it is also my town and I have the right to say these things. Are we to look forward to reading our Clipper each week and see where some mess has been started?

Sincerely yours,  
Sonny Inman

Dear Editor,

How in this world are we supposed to know who to vote for? How do we know what people are saying is true? There is no way we can know unless we personally know the candidate or how someone who does? I've never been one to publicly speak up for a candidate or tell anyone who I plan to vote for, though I've always encouraged everyone to be sure to vote because it's our privilege and responsibility as American citizens, but this year I'm speaking up for a friend whom my family has known personally for the past 19 years, and I'd like to tell you about this Christian gentleman so you'll know why you should vote for Terry Everett for your state senator.

Terry is a man of the highest caliber whose character is above reproach, a man of dignity, honor and integrity. You can be assured that Terry Everett is a man who loves his fellowman and will do everything he can to help him be your caring, concerned friend who wishes to take your message to Washington. He wants the best for you and our state and will do everything within his power to represent the people of Alabama.

Remember the unborn when you vote. They too may say thank you for welcoming us back home.

Bill Warren

Letter to the Editor

All across the Wiregrass, multitudes are again preparing form another historic tribute to the tiny pea-people and the mighty farm families who produce them. All during the festivities, many royal kings and queens will represent every hamlet and every organized activities throughout the region, but many of these will not be known beyond their immediate neighborhoods.

I have a long, long overdue suggestion to the powers that be: Crown as the Queen of the Wiregrass the one lady who has for decades opened her microphones to every manure people about every subject from old-time sacred harp singing to a passing comet, has provided a forum for scouts, churches, clubs, physicians, and has helped us under-

stand hard quilting, proper shoes, and diet foods. It's time we recognized the most widely known lady from Bainbridge to Andalusia, Panama City to Opelika, the well-known and universally admired and beloved Mrs. Ann Varnum.

Jerry Hilliard

Open Letter To The Editor

Dear EHS Class of '62:

I am delighted to acknowledge by way of THE ELBA CLIPPER's editorial page your recent, generous donation of \$559.86 to the library fund of Elba High School. This donation was made in memory of classmates Talmadge Chanceller and Robert Henry McCall. Bookplates will be placed in books bought with this donation so that everyone who sees and uses them will know who made the donation and in memory of whom.

Not only were you the thirty year honored class, but also we are honored by you generous donation. The library is one area of our school that serves all students. These are exciting days for us in our new facility. I hope you will be able to visit us again in the future. Elba High School is proud to count you as alumni.

And for goodness sake Elba, let's get out and vote for our Coffee County man.

Sincerely yours,  
Margaret Calhoun, librarian  
Elba High School

Dear Editor,

As a citizen of the United States I was stopped recently by Elba Police Officer Johnny Senn and was charged with speeding and DUI. I was treated with much respect and would like for everyone to know that Officer Senn is an asset to the Elba Community.

Charles Finch  
Midway, AL

Open Letter To The Editor

Joel M. Folmar  
District Attorney  
Twelfth Judicial Circuit of Alabama  
Elba, Alabama

Dear Mr. Folmar:

Collectively as a family unit, we the relatives of Ollie Ray Bush (deceased) wish to take this opportunity to express our gratitude to the District Attorney and those of his department responsible for the investigation and prosecution of the case of the murder of Ollie Ray Bush.

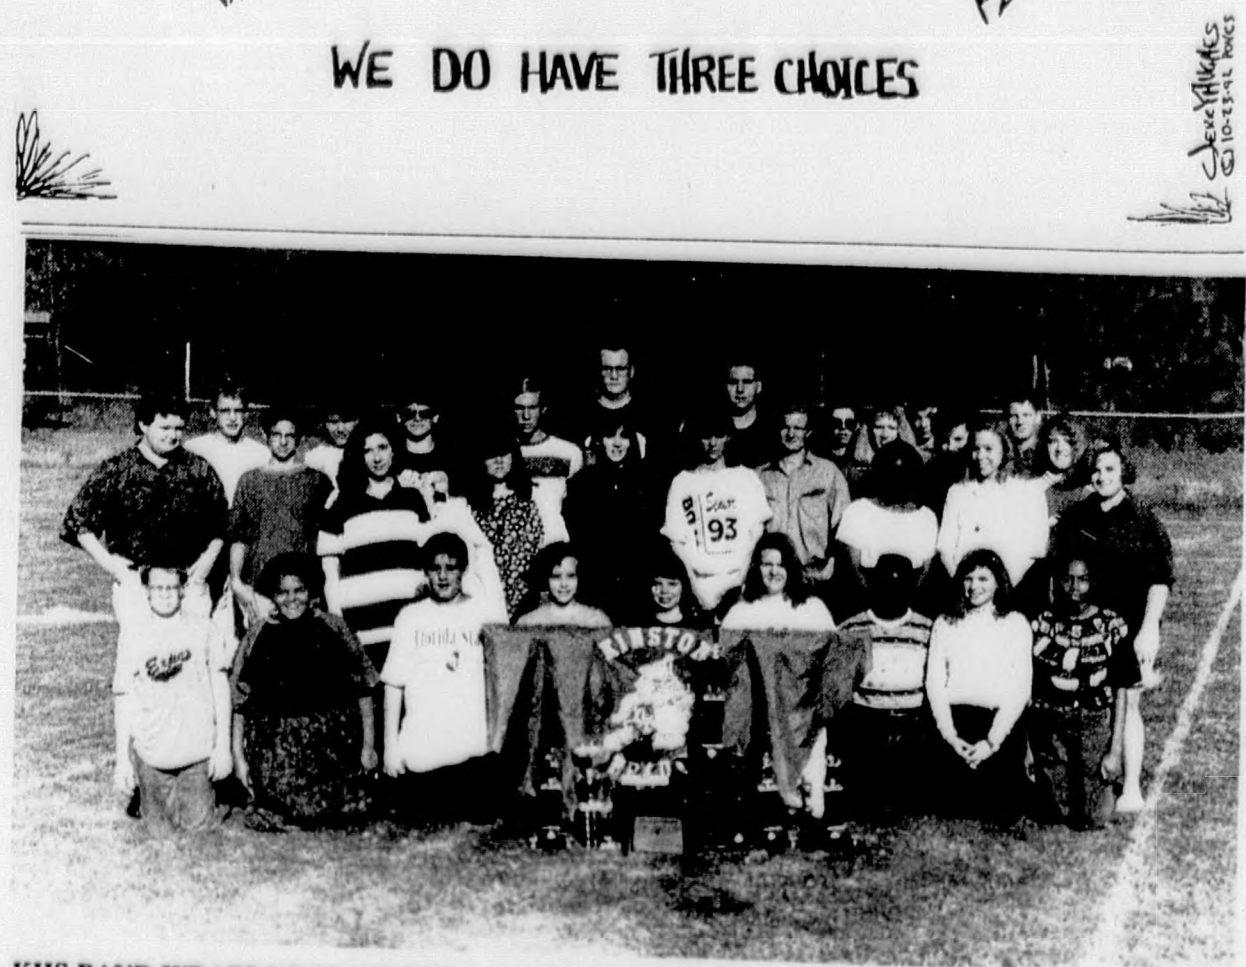

We finally have some relief and release from the sorrow and anger at the senseless brutality that ended our brother's life. There is also some sense of restitution in knowing the person found guilty of this heinous act will be incarcerated for a long period of time and will not be an ever-present threat to society.

To the investigators Bruce Devane and others we are especially appreciative.

To Bill Barr, whose professional performance throughout the trial gave us assurance that the case was being presented expertly and convincingly, we are very thankful.

Please ensure that all persons connected with bringing this case to fruition receive our thanks and commendation for a job well done.

Sincerely,  
The Bush Family  
H. E. Bush

**KHS BAND WRAPS UP SUCCESSFUL MARCHING SEASON...** The Kinston "Marching Pride" has had a successful marching season this fall. The band participated in the Daleville Invitational Band Classic on Oct. 3 and received overall superior ratings. On Oct. 17, the "Pride" received straight superior ratings at the Little Bighorn at the contest. The "Pride" placed 2nd out of 18 bands in Class 1-A, and placed 6th out of 32 bands in Class 2-A. The "Pride" also placed 1st in the "Surfin' U.S.A." "Sweet Georgia Brown" (Percussion feature) and "How Do You Keep the Music Playing?" (Percussion feature). The percussion feature included a quartet that consisted of seniors Damon Anderson, alto saxophone; Shawn Danley, tuba; Josh Keen, trombone; and Joe Roberts, trumpet. "How Do You Keep the Music Playing?" featured soloists Josh Keen and Joe Roberts. This was the last marching season for the seven graduating seniors.

**Elba General Hospital Report**

Elba General Hospital had the following persons admitted during the time period of October 20, 1992 through October 26, 1992:

They were: Marissa Baldwin, Joshua Hudson, Ronald Hussey, Fannie Berry, Linda Arratt, Dorothy Daniels, Andrew Prigden, Joshua Pitts, Mary Kelley, Bobby Kelley, Elizabeth Morris, Willard Davis, James R. Deal, Evon Hill, Aaron Lanar Daniels, M. J. Caldwell, Edlyn Bradshaw Stewart, Jessie Brady, Minnie Lindsey, and Gregory McWaters.

Those discharged during the same period of time were: William Le-gear, Susie Eddins, Amber Wicker, Donald Crook, Sid Odum, Abraham Robinson, Fannie Berry, Ronald Hussey, Elizabeth Morris, Joshua Hudson, Marissa Baldwin, Joshua Pitts, Andrew Prigden, Linda Arratt, Mary Kelley, Audrey Slawson, Aaron Lanar Daniels, Minnie Lindsey, Dorothy Daniels, and Gregory McWaters.

**Area Students On UAB Dean's List**

Two residents of Elba were named to one of two academic honor rolls at UAB (University of Alabama at Birmingham) for the Summer 1992 term.

On the Dean's List were Sherry L. Hudson and Sylva R. Lashley. To qualify for the Dean's List, a student must attend school full-time and earn an overall total grade-point average of 3.6 to 3.9 on a 4.0 scale.

UAB encourages academic excellence through publication of honor rolls, by awarding honors scholarships and the UAB Honors Program.

**VA Announces New 800 Phone Number**

On October 26, 1992 the U. S. Department of Veterans Affairs (VA) will have a new 800 number for the Veterans Service Division at its regional offices. The new number is 1-800-827-1000 the call will be automatically routed to the regional office in Montgomery. This number will not replace the current toll free numbers of the Insurance Center, Debt Management Center, Education Loan, Radiation Helpline or Telecommunication Device for the Deaf. For additional information on this and any other VA benefit, call Robert E. Lolley, your Coffee County Veterans Service Officer at 894-5858.

**AATC To Have Open House**

Alabama Aviation and Technical College in Ozark invites the public to attend an Open House, Friday, October 30, 1992, 10 a.m. - 3 p.m. There will be tours and special exhibits including NASA's AEROVAN, Commercial/Experimental and Military Aircraft, Antique Engines, and Classic Automobiles.

The NASA AEROVAN is a traveling exhibit from Hampton, Virginia, which tells the story of the first "A" in NASA - aeronautics. Nine colorful exhibits present the latest in aeronautical research. Several aeronautical artifacts are displayed, as well as samples of new models and photographs of future aircraft designs.

Campus visitors can get the feel of aviation training by visiting AATC's laboratories and classrooms. Through the Computer Flight Simulator, they can fly in a Cessna 182 in 10,000 square miles of airspace, either solo or in formation. Or, they can take an instrument flight, with the Elite Flight Simulator and see how pilots access the FAA's computer weather and flight planning service.

Other activities include Model Airplane Demos, Skydivers, and performances by the 98th Army Band, the Carroll High School ROTC Color Guard, and the Enterprise High School Drill Team. Call 1-800-624-3468 or 205-774-5113 for more information.

**SouthTrust Corporation Announces Quarterly Dividend**

The Board of Directors of SouthTrust Corporation declared a quarterly cash dividend of \$.195 (19.5 cents) per share. The dividend is payable January 1, 1993 to stockholders of record at the close of business November 30, 1992.

SouthTrust Corporation is an \$11.6 billion regional multibank holding company. The Corporation operates 40 banks with 336 offices in a six-state area which includes Alabama, Florida, Georgia, North Carolina, South Carolina and Tennessee.

SouthTrust common stock is traded on the national over-the-counter market under the NASDAQ symbol SOTR.

## Dorsey Employees Earn Safety Award

The Dorsey Trailers manufacturing operation in Elba was recently awarded the prestigious Gold Safety Award from the Liberty Mutual Insurance Company.

The award, which is earned nationally by only a small percentage of Liberty Mutual customers, recognizes outstanding safety performance in industrial operations.

In order to earn the award, a company or plant site must work in excess of two million man hours over a two year period, and maintain an accident frequency rate that is less than fifty percent of its industry average. In addition, the facility must not have sustained a fatality over the same time period.

Dorsey's accident frequency rate was compared to all manufacturers in standard industry code 3715, Truck Trailer Manufacturers, as published by the U. S. Department of Labor.

This latest recognition comes on the heels of several other safety awards earned by the Elba plant over the last four years. The plant earned Alabama Safety Council Award of Honor in 1987, 89, and 1990. In addition, the company truck drivers recently earned the Business Council of Alabama Fleet Safety Award for 1991, as well as the BCA Individual Achievement Award for zero frequency rate.

The program is built around education, a popular incentive program that rewards both individuals and team performance, and strong levels of cooperation between all employees.

The Gold Safety Award earned by Dorsey is one of only a few ever to be awarded by Liberty Mutual in the state of Alabama.

Pictured above are Nick Cullich, Vice President-General Manager and C. E. Free, Safety Committeeman.

**Katie R. Hodge Is Nominee For Truman Scholarship**

Katie R. Hodge is one of Troy State University's three nominees for the Truman Scholarship. This \$30,000 graduate school scholarship will be awarded to 85 college juniors nationwide.

Katie is a junior pursuing majors in political science and history. She plans to attend law school.

## Social News

### Ms. Saville & Mrs. Harvison Speak To Twentieth Century Study Club

The Twentieth Century Study Club met on October 8, 1992, in the home of Mrs. Ella Jean Vaughan. Mrs. Peggy Stroud was co-hostess. After refreshments were served, Ms. Sandra Saville with the State Department of Conservation spoke briefly to the club explaining the importance of voting "yes" for "Forever Wild", Amendment 1, on November 3.

Mrs. Nell Harvison, Chief Probate Clerk, then gave a most informative program on the current election procedure, and stressed the importance of each person's contribution to making the procedures work. She also encouraged everyone to take advantage of the privilege to cast their vote on November 3, 1992.

A short business session followed. Club members present in addition to the hostesses were: Mrs. Louise Bozeman, Mrs. Betty Brunson, Mrs. Carolyn Brunson, Mrs. Pam Crittenden, Mrs. Ann Davis, Mrs. Treva Driscoll, Mrs. Nell Harvison, Mrs. Jane Hudson, Mrs. Debra Samuel, Mrs. Ann Miles, Mrs. Debra Samuel, Mrs. Grace Taylor, Mrs. Elaine Thompson, and Mrs. Betty Vaughan.

### Christian Women's Club To Meet November 4th

The monthly luncheon for the Wiregrass Christian Women's Club will be held on November 4 from 11:30 - 1:30 at the Officers' Club at Fort Rucker.

The theme of the luncheon will be "Fashion With A Flair." The program will include a fashion show presented by Bryans Fashions and special music by Doris Kookie Covatt who will also be the speaker.

Mrs. Cowart is a former model, a grandmother and a corporate vice president.

Reservations and cancellations for this luncheon are essential before Tuesday, November 3. A nursery for preschoolers is available by reservation only. Please make your reservations by calling: Cindy at 347-5185; Bobbie at 347-2243; or Donna at 347-6065.

This is a non-denominational club and there are no required dues or memberships. Everyone is invited to come and to bring your friends.

### Senior Citizens Of Cordelia Street Hold Meeting

Members of the Senior Citizens of Cordelia Street met for their weekly meeting at the HRDC Building on Factory Street, October 22. Though the day started out cool, it sure did turn out beautifully. Some members were missing but, spoke of. The group was sorry that Ms. Boling was unable to attend. The group prays for her health and return to health. Many walked to various stores and other places around the annual Higgenbotham Reunion or the Tacky Party, which will be held next Thursday. Some who had been absent were able to attend.

A delicious lunch was served to the following: Frank and Lennie McCollough, Zedie Boyer, Bonnie Wesley, Myrt Burket, Bonnie Morris, Mattie Lou Goodson, Allen English, Mattie Wambles, Iris McDowell, Arnold Amenda, Arthur Blackman, Marion Brunson, Frances Shaboo, Louise Morrow, Odell Reeves, and Wanda Sasser.

## PASTOR'S CORNER DANNY MADDOX WHITEWATER BAPTIST CHURCH

### Faith, Prayer And Politics

As we approach Election Day next Tuesday, many are concerned and possibly confused about who to support. Hear from God's Word, "If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him." (James 1:5) So believe that you will receive the wisdom and grace you need.

There was a convention called in 1787 to revise the Articles of Confederation. For weeks the delegates reviewed history and many governments of modern Europe in search of insights. Nothing seemed to fit the circumstances of this infant nation. Finally, one of the distinguished gentlemen, Benjamin Franklin, said to the group, "In this situation of things, I am convinced that if we are to have a government, it must be able to distinguish it when it is presented to us, how has it happened that we have not hitherto once thought of humbly applying to the Father of Lights to illuminate our understandings?" While those early leaders were not all evangelical Christians, many of them did believe in a sovereign God and sought His wisdom in the affairs of the state.

If there was ever a time to follow the example of our founding fathers, it is now. We need to seek the Lord's guidance before making decisions. It is easy to become cynical about the political process, but the conscientious Christian cannot sit on the sidelines and do nothing. Regardless of party loyalty, before God we must be informed, cast our vote, and support those who best represent truth, justice and compassion for all people. Since Jesus Christ is "the light of all principality and power" (Colossians 2:10), we will unashamedly stand with Him and pray for our political leaders and their next Tuesday be sure and vote.

Thinking of you, praying for you, Mrs. Mary T. Hooks, Mr. J. L. Williamson, Mr. and Mrs. Monroe Richardson, Mr. Lonnie Campbell, Mr. Jimmie C. Brooks, Mrs. Inez Middleton.

Revival services at First Baptist Church of Elba will begin Sunday, November 1, and continue through Wednesday, November 4th.

Larry Parsley of Dallas, TX will be the guest preacher and Jim Hayes of Hattiesburg, MS, will be the guest musician.

Mr. Parsley, a Texas native, received his B.A. degree from Baylor University in 1984 and earned a Master of Divinity degree from Southwestern Baptist Theological Seminary in Fort Worth TX, in 1987. He is currently in the Doctoral Program at Baylor and is on staff at Whitehouse Baptist Church in Dallas.

He has worked extensively with youth, serving as a church youth minister in Texas and as Camp pastor for Centridge in Mobile. He has spoken at revivals, banquets and youth events throughout the South-west. Prior to the revival services in Elba, Mr. Parsley will be leading a youth conference at the Coffee County Vineyard on Saturday, Oct. 31, for young people from several churches.

Mr. Parsley is married to the former Jaleta Wells, who is the young daughter of Elba First Baptist pastor Frank Wells and his wife, Jo Ann. Mrs. Parsley is a clinical psychologist at the Dallas Child Guidance Clinic.

Revival services on Sunday, November 1, are at the regular worship hours of 11:00 a.m. and 6:00 p.m. The morning service is broadcast live on radio station WELB 1350 AM. On Monday, Tuesday and Wednesday evenings the services will begin at 7:00 p.m.

The services are open to the public and everyone is encouraged to attend. The church is located on Simmons Street in Elba, two blocks west of Court Square. For more information will be sold.

The New Hope School Reunion will be held Saturday, November 7, 1992, from 10:00 a.m. - 2:00 p.m. at the old school building, located on County Road 78 NE.

All former teachers, students, workers and bus drivers are invited to attend. Bring your lawn chairs, tea and dessert. A barbecue lunch will be served.

## CARD OF THANKS

I would like to take this opportunity to pay a special thank you to all my friends, neighbors & family for all the acts of love and concern for me during my illness and recent stay at UAB in Birmingham.

Thanks for all the phone calls, visits, cards, food and especially your prayers. They have meant so much to me and my family.

Again thanks,  
MAE PYNES & FAMILY

## A Unit On Me

by Amy Baker

Mrs. Marsha Ogg's 5th period class did a unit on values and caring. Each student had to write a poem telling something about themselves. Here are a few of the poems:

**My Life**  
Sometimes life goes as I please,  
Sometimes I feel as if it were a tease.  
Sometimes I feel like it's going my way,  
Sometimes I feel like it's just another day.  
Sometimes life can be real hard,  
Sometimes life can be real scared.  
Sometimes I feel bright as the sun,  
But all of the time I can have a lot of fun.

**Me**  
Quiet and kind and sympathetic,  
Loud and mad and quite pathetic.  
Fearful, sad and sometimes cheerful,  
Scared, and shaky, often fearful.  
Brave and true as Hercules,  
Or scared as Mr. Chicken.  
There for all the world to see,  
Are all different kinds of me.

**Me**  
Loving, caring, thoughtful as can be,  
These are the things that best describe me.  
I'm friendly, sweet, and easy to do all,  
That's why people enjoy being around me.  
Quiet, kind and cheerful,  
Sometimes sad and tearful,  
These are the different kinds of me  
For all the people to see.

**Me**  
Brave, handsome, courageous, and tall,  
There's nothing I can't do because I do all.  
Some say I'm as quick as a train, fast as a door,  
Don't do drugs and don't drink beer.  
I love to play football because it's a wonderful game,  
Somebody I hope to be in the Hall of Fame.  
When on the field I'm the best I can be,  
It's not Bo Jackson or Roger Craig, it's just me!

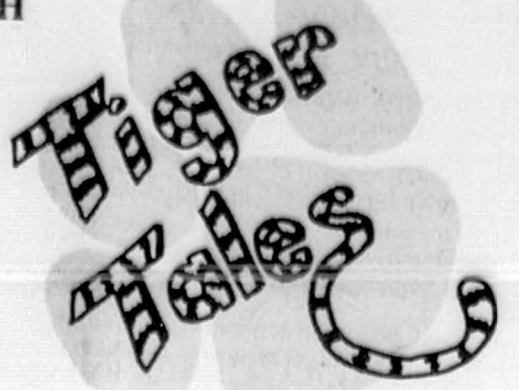

## FBLA Exceeds Recruitment Goals

Invitations, posters, school announcements, and peer pressure are some of the ways that this year's Future Business Leaders of America club chose to increase its membership. It really paid off in a big way. The club's initial goal was to maintain 100% class membership in the club. This means that every student enrolled in classes in the Business Education Department would be a member of FBLA. After meeting this goal, former FBLA members were encouraged to

join also. Personalized invitations were given to each student who was a member of FBLA or who was enrolled in a business class in previous years. Posters were mounted on teachers' doors, in the classrooms, and on the walls in the cafeteria inviting these students to join. Announcements were placed on the daily school bulletin for one week encouraging all present and former members to join. Students were urged to "pressure" friends who were not taking business

courses this year to join FBLA. Recruitment efforts were very successful. Membership in FBLA increased from 197 members this time last year, 1991, to 222 members this year, 1992. These recruitment efforts were done also as a part of our State Project, which is Investing In Futures. Each FBLA club participating in the State Project may choose to increase its membership or maintain 100% class membership. Our club has accomplished both.

## SGA President Speaks To ECBOE

SGA President, Lakia Hammonds, was on the agenda at the October meeting of the Elba City School Board. She read the following statement:

"Good evening. My name is Lakia Hammonds and I am president of the Elba High School Student Government Association. I am speaking on behalf of the Student Government Association Executive Committee. I would like to take the opportunity to bring some positive aspects of our school to your attention.

1. The students are proud of the new facilities.

2. Despite previous conditions, the students have access to lockers.

3. Fortunately, there are many active clubs and competitive academic teams with high standards.

4. There are spirited athletic teams, cheerleaders, and band members.

5. The students work with high quality laboratory equipment and supplies.

6. The environment is a well-controlled one.

7. There are improved study courses and classes available to interested students.

8. There is cooperation between faculty and students.

9. The Student Government Association has had positive effect on the student body through the changes made by having a voice in the regulations of the school.

10. Despite the fact that the media has shaken the equilibrium of the school, the majority of the students seem to be getting along in total and complete harmony.

The Executive Committee appreciates your time and attention.

The Student Government Association Executive Committee: Lakia Hammonds, President; Holly Strim-Vice President; Kevin Dewberry-Secretary; Dawn Grimes-Treasurer; Elena Strong-Reporter.

Monday - Cheese Toast Or Cereal, Juice, Milk.

Tuesday - Cinnamon Toast Or Cereal, Juice, Milk.

Wednesday - Biscuits Or Cereal, Sausage, Juice, Milk.

Thursday - Cereal And Toast, Fruit, Milk.

Friday - Cinnamon Rolls Or Cereal, Cheese, Juice, Milk.

LUNCH

Monday - Hamburger Or Chicken Fillet, French Fries, Lettuce, Tomato, Dill, Cheese Slice, Brownie, Milk.

Tuesday - Vegetable Beef Soup Or Meat Loaf, Grilled Cheese Sandwich, Crackers, Butterbeans, Choice Of Fruit, Cookies, Milk.

Wednesday - Baked Chicken Or Beef Casserole, Rice/Gravy, Garden Peas, Jellyfruit, Rolls, Milk.

Thursday - Manager's Choice.

Friday - Chili Dog Or Sloppy Joe, Green Beans, French Fries, Cheese Slice, Choice Of Fruit, Milk.

SGA Meets

After the meeting was called to order by the president, Lakia Hammonds, the Pledge of Allegiance and a devotional were presented by Holly Strim. The minutes from the last meeting were read by Dawn Grimes, secretary. The treasurer's report was given by Elena Strong.

Fundraisers were discussed. These included selling pocket calendars, selling concessions at the Christmas Festival, and several other ideas. Each idea will have to be approved before they can be used. A committee was appointed to discuss the short order lunch procedure. Another committee was formed to investigate the possibility of a pay-phone for student use.

The next meeting will be November 2.

## Teachers Become Models

by Laura Brown

Have you ever wondered what your teachers do after school or on the weekend? Well, I have news for you. Some of our teachers became models at their Delta Kappa Gamma meeting held in Enterprise on Saturday, October 17, 1992.

Mrs. Melinda Scott, merchandising manager, and Sandy Jenkins from the styling salon at JC Penney's presented the program, *Advancing Professionalism*, which emphasized fashions and hair styles for professional women. Modeling clothes and accessories selected by Mrs. McCall, Mrs. Rachel Bryan serves as Delta Kappa Gamma chapter officer.

Delta Kappa Gamma is an honor society for women educators. It was founded in 1890 and has over 100,000 members worldwide. The organization promotes professional growth and provides a network of support for its members. The Delta Kappa Gamma chapter at Elba City Schools is active and involved in many community service projects.

## Views From The Pressbox

By Ricky Mularz, Sports Editor

I was a mighty proud Papa Sunday morning at church when Melissa joined her choir for a special performance. Melissa has been singing ever since she could talk and really enjoys getting up in front of people and singing with her friends. Sunday morning she got up early and took her bath, put on her prettiest Sunday dress, spent what seemed like forever combing her hair, and sang her heart out along with the rest of the choir. She was proud, but not half as proud as I was!

### ELBA TIGERS SEE UNDEFEATED SEASON END IN BREWTON

The Elba Tigers and T.R. Miller Tigers got together last week for what was billed as the state's top high school matchup in week 48. If you were one of the couple of thousand fans on the Miller side you left agreeing it was all it had been built up to be; however, if you were sitting on the Elba side, it was just a little less than what you had expected, as the Tigers let the game slip away in the fourth quarter as T.R. Miller took advantage of Elba mistakes to claim a 21-20 win.

Elba was ready to play against the state's defending 4A state champs, and this year's second-ranked 4A club, and for three quarters was clearly the best team on the field. The Tigers moved the football up and down the field against the Miller defense behind the blocking of the offensive line and the hard running of Greg Thigpen and Jamie Brockton, and appeared to be in control late in the third quarter after pulling out to a 20-11 lead and moving to a first down at the Miller 31-yardline. That's where it ended for the Tigers; however, as Miller recovered its first of three fumbles in the closing stanza, marched downfield for a quick score, recovered a fumble on the ensuing kickoff and booted the winning field-goal, recovered yet another Elba fumble, and finally ended all Elba hopes with a pass interception two minutes left on the clock. It was a disastrous ending to what had been a big night for the Tigers and also an end to what many felt would be an undefeated season. This only positive thing to come out of the loss was the fact that Elba still has two regular season games in which to show how good it really is, and then will advance to the state playoffs, where it has a real shot at winning a second state title. The loss hurt, but there's still plenty of time to heal the wounds and have a quick, and complete recovery.

The Elba offense didn't get their hands on the football but three times the

entire first half, and one of those times it put the ball in play only six-inches from its own goal line. In spite of not getting many chances to score points, the Tigers rolled up 140 yards in offense and scored one touchdown, and the Tigers came out and drove 63 yards for a touchdown on their first possession of the second half, returned a kickoff for a score on their second at the Miller 31-yardline. That was where the offensive slow came to an abrupt halt, as a fumble killed the potential scoring drive and for some reason killed the Elba offense for the night. The Tigers lost three fumbles and turnovers the last five times Elba touched the football. Not five possessions, but five plays!

Back to the positives...Greg Thigpen gained 145 yards on 20 carries against the state's second-ranked 4A team and scored twice, gaining the respect of everyone in the stadium with his power and speed. Thigpen's game behind the blocking of the Elba line, which butted heads and won more times than it lost against the big, strong Miller defensive front, had the win secured with a 34-0 lead, but decided to rub a little salt into the wound with the late scores. The Rebels may be down, but they aren't out, and one day they will get to have a little fun, also.

KINSTON (3-5) has seen what started out as a big season fall apart and the Bulldogs are now simply getting ready for roundball. The Bulldogs have more than enough talent to win in football, but there is something missing, and it's not from the coaching staff. The players simply don't have the confidence a team has to have to win big, and until the folks in Kinston commit to football, the losses will always fall short of the win total.

STATE'S TOP TEAMS CONTINUE TO BATTLE FOR LIVES

Being ranked in the Alabama Sportsweek's Association poll doesn't really mean a thing, it just gives the fans something to talk about. It may, however, give the opponents of the teams ranked in the poll's Top 10 a little added incentive, as was the case again this week as some of the top teams fell. Here's a quick trip around the state...

CLASS 5A - Top-ranked Vigor moved its own home games out of town after the city raised the rent on the stadium, but it made no difference last week as Vigor pounded LeFlore 43-10. Jess Lanier saw his #5 ranking slip away with a 17-13 loss to Tuscaloosa County, while closer to home, Enterprise edged Bainbridge 21-19. Bainbridge has Leavy Boutwell on its staff and I'm sure Leavy would have liked to knock off the Cats.

CLASS 4A - The only team in the Top 10 that didn't win was top-ranked Russellville, which had the week off. Second-ranked Blount made big news by outscoring Ft. Walton 63-38, while in the area, Charles Henderson stunned Pike County 14-8 and Hillcrest, of Evergreen, won its first game with an easy 39-6 romp past Wilcox Central.

CLASS 3A - Top-ranked Daleville had no problems in ripping apart power Elba 21-20. Third-ranked Buckhorn got drilled by Ft. Payne 49-21, and a little closer to home it was Abbeville clobbering Dale County 47-19 and Ashford whipping Headland 28-13.

CLASS 2A - The 3A poll will have a big shakeup, as top-ranked Plainview fell to 2A Fayette 24-13 and #2 Elba was nipped by 4A T.R. Miller 21-20. Litchfield will go to the top after an easy 33-0 win over Pleasant Valley, while around the south Lurvenne blanked Louisville 41-0, Rehoboth shutout Geneva 13-0 and Slocomb outscored Houston County 27-25.

CLASS 1A - Top-ranked Courtland had another week off, while #2 Billingsley continued to be impressive with a 62-20 whipping administered to Coffee Springs outscored Vernon (FL) 26-12 and Red Level eased past winless McRae 16-0.

### THE ELBA CLIPPER OCTOBER 29, 1992

NEW BROCKTON TAKES COUNTY SMALL SCHOOL TITLE

It has been anything but a year to remember for the three county schools, but bragging rights are always important for players and fans, and that was the case on Friday night at New Brockton. Here's what happened in week eight of the season...

NEW BROCKTON (2-6) may have only two wins, but those wins were over the other county schools and Friday night's win over Kinston gave the Gamecocks the county school title. The Gamecocks had chances to blow the game open early, but struggled to put points on the board and in the end had to hold on to win. Maybe the Gamecocks can use the win and close out the season with a bang.

ZION CHAPEL (0-7) came out on the wrong end of a lopsided score against Arton, and I hope the Rebel players are taking notes, because several teams are going to be needing a little payback when the Rebels grow up and start winning. Arton will be on the list, after scoring its final two touchdowns on halfback passes back to the quarterback. The Purple Cats had the win secured with a 34-0 lead, but decided to rub a little salt into the wound with the late scores. The Rebels may be down, but they aren't out, and one day they will get to have a little fun, also.

KINSTON (3-5) has seen what started out as a big season fall apart and the Bulldogs are now simply getting ready for roundball. The Bulldogs have more than enough talent to win in football, but there is something missing, and it's not from the coaching staff. The players simply don't have the confidence a team has to have to win big, and until the folks in Kinston commit to football, the losses will always fall short of the win total.

STATE'S TOP TEAMS CONTINUE TO BATTLE FOR LIVES

Being ranked in the Alabama Sportsweek's Association poll doesn't really mean a thing, it just gives the fans something to talk about. It may, however, give the opponents of the teams ranked in the poll's Top 10 a little added incentive, as was the case again this week as some of the top teams fell. Here's a quick trip around the state...

CLASS 5A - Top-ranked Vigor moved its own home games out of town after the city raised the rent on the stadium, but it made no difference last week as Vigor pounded LeFlore 43-10. Jess Lanier saw his #5 ranking slip away with a 17-13 loss to Tuscaloosa County, while closer to home, Enterprise edged Bainbridge 21-19. Bainbridge has Leavy Boutwell on its staff and I'm sure Leavy would have liked to knock off the Cats.

CLASS 4A - The only team in the Top 10 that didn't win was top-ranked Russellville, which had the week off. Second-ranked Blount made big news by outscoring Ft. Walton 63-38, while in the area, Charles Henderson stunned Pike County 14-8 and Hillcrest, of Evergreen, won its first game with an easy 39-6 romp past Wilcox Central.

CLASS 3A - Top-ranked Daleville had no problems in ripping apart power Elba 21-20. Third-ranked Buckhorn got drilled by Ft. Payne 49-21, and a little closer to home it was Abbeville clobbering Dale County 47-19 and Ashford whipping Headland 28-13.

CLASS 2A - The 3A poll will have a big shakeup, as top-ranked Plainview fell to 2A Fayette 24-13 and #2 Elba was nipped by 4A T.R. Miller 21-20. Litchfield will go to the top after an easy 33-0 win over Pleasant Valley, while around the south Lurvenne blanked Louisville 41-0, Rehoboth shutout Geneva 13-0 and Slocomb outscored Houston County 27-25.

CLASS 1A - Top-ranked Courtland had another week off, while #2 Billingsley continued to be impressive with a 62-20 whipping administered to Coffee Springs outscored Vernon (FL) 26-12 and Red Level eased past winless McRae 16-0.

CLASS 1A - Top-ranked Courtland had another week off, while #2 Billingsley continued to be impressive with a 62-20 whipping administered to Coffee Springs outscored Vernon (FL) 26-12 and Red Level eased past winless McRae 16-0.

CLASS 1A - Top-ranked Courtland had another week off, while #2 Billingsley continued to be impressive with a 62-20 whipping administered to Coffee Springs outscored Vernon (FL) 26-12 and Red Level eased past winless McRae 16-0.

## Fourth quarter fumbles prove fatal to Tigers in 21-20 setback to T.R. Miller

By Ricky Mularz, Editor

The Elba Tigers played giveaway in the fourth quarter Friday night and the T.R. Miller Tigers were more than glad to get the gifts as they scored 10 points in the final eight minutes of the game to edge Elba 21-20, in Brewton.

The win improved T.R. Miller's record to 6-1, while Elba slipped to 6-1 with its first loss of the season. T.R. Miller received the opening kick and showed why it was ranked #2 in the state in the 4A ranks as it marched 71 yards to within inches of the Elba goal line.

Antonio Gant gained 27 yards on four carries during the march, and quarterback Terrance Samuel hit on two passes for 28 yards, as Miller moved to a first and goal at the Elba 9-yardline.

T.R. Miller got within a foot of the endzone and appeared ready to take the early lead; however, Elba's Bryce Phillips knocked the ball loose from a Miller runner at the

goal line and Jamie Brockton recovered the fumble only six-inches from the goal line to kill the threat. Elba managed only eight offensive plays in the opening stanza, but started its second possession of the game at its own 31-yardline and stunted Miller by driving 79 yards in 10 plays to score the first points of the night.

Keith Grantham hit a sliding Joe Donaldson for a 10-yard gain on a drive alive, but the workhorse of the drive was Greg Thigpen, who gained 57 yards on 7 carries and scored the touchdown on a 1-yard blast.

The Tigers missed on a two-point conversion after a penalty against Miller, which left Elba with a 6-0 lead with 7:04 left in the half.

T.R. Miller began another march toward the Elba goal line on its ensuing possession, and reached a first down at the Elba 19-yardline on a 14-yard pass from Samuel to Greg Reynolds on a fourth down and 9

yards to go. The drive came to a sudden end, however, when the Tigers bobbled a pitchout and Miller recovered at the 41-yardline with 9:35 still left in the game.

Miller needed only two plays to reach the Elba 19-yardline, and on a play later Carlos Montgomery scampered in from 17 yards out to put Miller back in the hunt. Ewing hit the extra-point and with 8:18 left in the game Elba's lead was down to 20-18.

Things went from bad to worse for the Tigers in a hurry, as on the ensuing kickoff Elba never got the handle on the ball and Miller recovered the fumble at the Tiger 21-yardline.

T.R. Miller moved to a quick first and goal at the 9-yardline, but the Elba defense stiffened, and on fourth down Dan Ewing booted a 26-yard field-goal that sailed through the uprights sideways, giving T.R. Miller its first lead of the game at 21-20 with 5:01 still left in the game.

The Tigers appeared to get the ball in excellent field-position when a squib kick was recovered by Elba at its 47-yardline; however, the Tigers string of bad luck continued as Miller was whistled for a dead ball penalty on the kick and got the chance to re-kick.

For starters, Terry Everett will join with the 150 other new Congressmen and women to do something about the \$4 trillion national debt that threatens to rob our children's future.

40,000—Everett will give back the \$40,000 pay raise Congress voted itself in the form of monthly scholarships to deserving students from across the 2nd District.

1. Terry Everett wants to put a stop to the free postage, free lunches, free limos and free health clubs Congress gives itself.

2. He'll work on the Armed Services Committee to keep Maxwell-Gunter Air Force bases and Fort Rucker up and running.

3. As the owner of a 400-acre farm, Everett will continue to identify and exploit new domestic and international markets for peanuts and other farm products.

4. He will accept no special interest or PAC money in this campaign.

5. By electing Terry Everett we can send a message—not a politician to Washington.

EVERETT  
Send a message, not a politician.  
U.S. CONGRESS

HERE WE COME! Elba's Jamie Brockton (42) leads the way for Greg Thigpen (47) in Friday night's battle with T.R. Miller. Thigpen gained 145 yards in the contest to go over the 1,000 yard mark for the season. After seven games, Thigpen has gained 1,001 yards on 132 carries and scored 15 touchdowns.

Greg Thompson gained 145 yards			

This time Elba put the ball in play at the 20-yardline, and one play later the Tigers fumbled again, with Miller recovering at the Elba 27.

The Tigers got the ball back with 2:14 left on the clock after a stand by the defense, but a pass interception resulted in Elba's fourth turnover in its last four possessions and Miller held on for the 21-20 win.

Greg Thigpen gained 145 yards on 20 carries to account for over sixty-percent of the Elba offense, and scored two of the Tigers' three touchdowns.

Antonio Gant gained 151 yards on 22 carries to lead T.R. Miller. Bryce Phillips made 10 solo tackles to lead the Elba defense, while Phillip Compton made 5 tackles and had 3 assists, and D.J. Belcher added 4 stops and 2 assists.

The extra-point try failed; however, with 4:03 remaining in the third quarter the Tigers were back in command with a 20-11 lead.

Elba got the ball back on a punt at its 46-yardline, and appeared ready to put the win in the bag, as the Tigers moved to a first down at the Miller 31-yardline.

The drive came to a sudden end; however, when the Tigers bobbled a pitchout and Miller recovered at the 41-yardline with 9:35 still left in the game.

Miller needed only two plays to reach the Elba 19-yardline, and on a play later Carlos Montgomery scampered in from 17 yards out to put Miller back in the hunt. Ewing hit the extra-point and with 8:18 left in the game Elba's lead was down to 20-18.

## Ariton Purple Cats hand Zion Chapel 47-8 loss

By Cade Shiver, Sports Writer

The Zion Chapel Rebels traveled to Ariton Friday night to join in the Purple Cats' homecoming celebration, but found anything but friendly hosts as the Cats thumped the winless Rebels 47-8.

Zion Chapel's defense played well early in the game, but a pass interception gave the Cats the ball at the Rebel 5-yardline and Ariton cashed in on the break on a 5-yard touchdown run by Tim Kilow. Sedric Haynes booted the extra-point

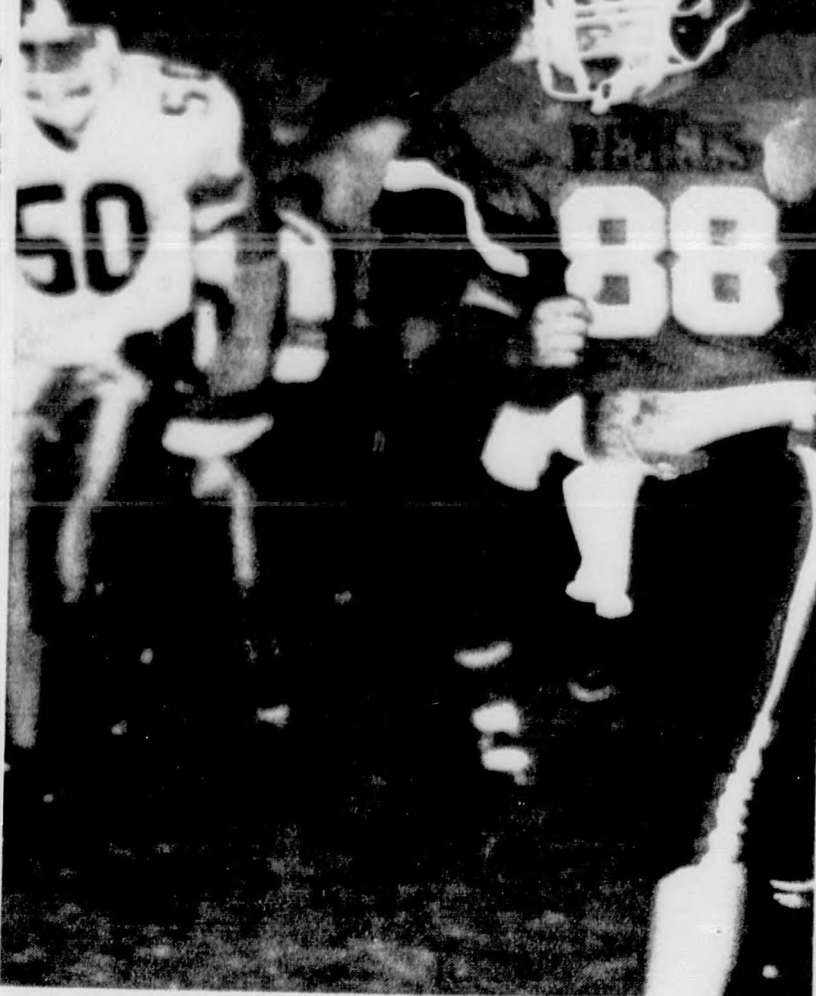

and Ariton was on top early 7-0. While the Rebel defense was holding its own against the powerful Ariton offense, the Zion Chapel offense struggled for much of the opening half and failed to put any points on the scoreboard, allowing Ariton to take a 13-0 lead into the dressing room at the half on a late score by Charlie Sanders.

Ariton received the second half kickoff and wasted little time regaining command as the Purple Cats quickly marched in for a touchdown.

The score came on an 11-yard pass from Josh Herring to Billy Mantel and Haynes again hit the p.a.t., giving Ariton a 20-0 lead early in the third quarter.

The Purple Cats began their next possession at the ZC 38-yardline and needed only one play to reach pay dirt, as Herring again went to the air and connected with Mantel with a 38-yard scoring toss. Haynes' extra-kick was true and the Cats were celebrating with a 27-0 advantage.

Zion Chapel fumbled the ball right back to the Purple Cats on its ensuing possession, and once again

Zion Chapel's Jerry Johnson (88) heads upfield after a runner during recent Rebel action. Zion Chapel will travel to Skipperville this week to meet the Long Rebels in an Area matchup.

## Brantley grounds Squadron

From combined reports

The Brantley Bulldogs kept on rolling Friday night as they scored almost at will to pound the Highland Home Flying Squadron 40-13, in Highland Home.

Speedy tailback Tony Burnett was the offensive star of the night for Brantley with 203 yards on 17 carries, including touchdown runs of 18 and 3 yards.

Ashley Kilcrease ran for a 3-yard touchdown and tossed a 12-yard scoring pass to Derek Caldwell, while Robin Head added a 2-yard scoring run and Jody Tillis scored on a 4-yard dash.

Eric Crenshaw sparked the Bulldog defense with 7 solo tackles and 5 assists.

Brantley's Coach Roland Jones keeps a watchful eye on the action from the sidelines. Brantley improved its record to 7-1 last week with an easy win over Highland Home and this week battles Alabama Christian.

## Former Elba standout Jackie Stoudemire earns spot at TSU

Former Elba Tiger football player Jackie Stoudemire is back in football pants this fall after a two-year absence.

Stoudemire, a 1991 Elba High School graduate, excelled as a defensive end and tight end for Elba head coach Mack Wood's 1989 3A state championship team.

Stoudemire was named a starter for the Tigers during the 1987 and 1988 seasons, and with the attention of the 1989 state title, Stoudemire attracted college scouts from the University of North Alabama and from a small state college in Kentucky.

But Stoudemire used his last year of high school eligibility in pursuit of the 3A title, dealing his hopes of playing college football a serious setback. He remained at Elba High

School to graduate with the class of 1991 and then enrolled at nearby Troy State University.

Now a Troy State sophomore, and after a two-year absence from football, Stoudemire is making his comeback with the Trojans as they get off to their best start ever at 7-1.

Stoudemire earned his spot as Troy State's third string tight end after walking on and making the team in August.

"We think Jackie has a lot of potential," said tight end coach Eric Mizell.

Stoudemire played in the Trojans season-opening 37-13 win against Southern Illinois, but a sprained ankle has kept him sidelined since.

Coaches said Stoudemire's ankle could be at 100 percent before last

week's Oct. 24 game against North Alabama.

"My ankle is still a little sore, but I've been working in drills," said Stoudemire. "I feel like I'll be back to full speed next week."

As far as his role in the Troy State offense, Stoudemire knows his time will come if he works hard.

"I feel like I have a chance to help the team," Stoudemire said. "When I first came out in August I was kind of worried after having been out for two years, but they gave me a chance to show what I could do. I hope to get into the tight end position and catch a lot of passes, and build up that position so the team can depend on it as more a part of the offense."

### End season with 5-1 record

## Elba Junior Tigers crush Samson

The Elba Junior High Tigers closed out their season with a 5-1 record last week by whipping the Samson Junior Tigers 46-12, in Samson.

The Tigers jumped out to an early 8-0 lead on an 8-yard run by Undray Chism and a two-point run by Sterling Jones, then extended their lead to 16-0 later in the opening stanza on a 2-yard touchdown run by Jones and a two-point run by Chris Tyson.

Undray Chism scored his second touchdown of the night in the second quarter on an 18-yard run, while a two-point run by Ashley Suttley gave the Tigers a 24-0 halftime bulge.

Samson scored first in the third quarter to cut the lead to 24-6; however, the Tigers weren't intimidated and scored two touchdowns in the stanza to take a commanding 40-12 lead into the final stanza.

A 70-yard touchdown run on an option by quarterback Roscoe Coleman and a 3-yard scoring run by Sterling Jones accounted for the Elba scores, while Jones and Bobby Burks both lacked on two-point conversions.

The final Elba points of the night came on a 15-yard run by Ashley Suttley and gave the Tigers the easy 46-12 win.

Undray Chism gained 172 yards on 8 carries to lead Elba, while Roscoe Coleman gained 95 yards on only 3 carries and hit on 2 of 4 passes for

47 yards. Sterling Jones added 71 yards on 10 carries, with Brian Rowe and Sterling Jones both making receptions.

## COLLEGE CORNER

By Phillip Miles, Sports Writer

Everyone knows that Auburn is struggling; however, Auburn's come-from-behind win over Southwest Louisiana State really had to have the coaches and fans shaking their heads in disbelief. But, a win is a win and Jack Crowe, who could have used a come-from-behind win against Citadel, off. Auburn and Arkansas both got blitzed by Ole Miss, and Auburn has to be tired after non-stop action. I have to go with the well-rested Hogs in an upset 21-17.

Florida and Georgia tangle again at the Gator Bowl, and you can bet Tennessee will be piling for the Gators. The Vols will have to wait for another cocktail party, because the Dogs will win this one 23-20. Tennessee had a week off to nurse its wounds after losses to Arkansas and Alabama, while South Carolina has won two straight, the last being that the Vols will survive a close one 24-23.

In other games, it will be Ole Miss 24 LSU 23; Mississippi State 14 Kentucky 13; Florida State 28 Virginia 21; Miami 27 West Virginia 12; Nebraska 23 Colorado 22; Washington 24 Stanford 23 and Penn State 31 BYU 21.

**BUCKLE UP**  
It's The Law!

New Brockton's Jason Marler (60) applies the crunch to a Kinston runner during Friday night's 13-8 win. The Gamecocks Scott Addison (70) and John Pittman (71) aid in the stop. New Brockton will battle Wicksburg this week in a key Area contest, at Wicksburg.

New Brockton's Chris Green (23) breaks past the line of scrimmage and eyes running room in last week's 13-8 win over Kinston. Trying to catch Green is Kinston defender Lonnie Hattaway (74).

## Gamecocks claim county crown with 13-8 win

By Greg Brunson, Sports Writer

The New Brockton Gamecocks hosted the Kinston Bulldogs this past Friday night in a homecoming game that would decide the "County Championship," and the Gamecocks rushed out to a 13-0 first half lead and then withstood a furious second half rally by the Bulldogs to claim an exciting 13-8 win.

The Gamecocks threatened early as they marched on an eight play drive from their own 40 to the Kinston 20-yardline, only to see the Bulldog defense stiffen and keep the Gamecocks off the scoreboard.

Cedric Williams recovered a Bulldog fumble on Kinston's first snap to set the Gamecocks up at the Bulldog 21, and Chris Green took over from there as he gained 4 yards on first down and then got 17, and the touchdown on his second try.

Cedric Williams added the conversion and New Brockton led 7-0 with 4:43 left in the first quarter.

New Brockton began its next possession at its own 35-yardline and put together a 10 play drive that would end in the Kinston endzone!

A big play in the drive was a 22-yard pass from Sean Suckey to Cedric Williams, while the touchdown came on a 2-yard quarterback sneak by Suckey with 10:23 left in the half. The extra-point attempt failed, but New Brockton was on top 13-0, much to the delight of the big homecoming crowd.

The Gamecocks threatened once more before the half and reached Kinston's 20-yardline, only to once again see the Bulldog defense stiffen and force the Gamecocks into a 28-yard field-goal attempt, which failed.

Kinston gave the Gamecocks another scoring opportunity early in the third quarter when Ellison Cason recovered a Bulldog fumble at the Kinston 7-yardline; however, the Bulldog defense again stood its ground and in four plays knocked the Gamecocks back eight yards.

New Brockton got the ball back on a Kinston punt at the Bulldog 49-yardline, but again found the Bulldog defense ready, and failed on a fourth down gamble at the 44, giving Kinston momentum near midfield!

Kinston's offense finally got on track following the defensive stand and quickly moved downfield as Jonathan Spears broke loose for a

27-yard run to the New Brockton 18-yardline. Daniel Sims then got the call and went up the middle, cut to the right and raced 18 yards into the endzone.

Spears ran in for the two-point conversion and with 6:49 left in the game the Bulldogs had cut the Gamecock lead to 13-8.

The Gamecocks got the ball back on the ensuing kickoff and managed one first down before facing a fourth and one at the Kinston 46. New Brockton again decided to gamble on the fourth down play, but again came up short and Kinston took over in excellent field position.

The Bulldogs turned the ball over on downs at the New Brockton 42-yardline, but one play later got the ball back when a fumbled pitchout was recovered by Kinston's Michael Simmons at the New Brockton 33, with 1:11 still left on the clock.

A 21-yard completion from Roger Smith to Anthony James got the Bulldogs to the New Brockton 10-yardline with time left for only one play. On the game's final play, Daniel Sims took a handoff, rolled right and then pulled up and tossed a half-

back pass toward a wide-open Johnny Edwards. The pass was a little too high, however, and the Gamecocks had the heart stopping win 13-8, and with it claimed the county title.

Chris Green was the game's leading rusher with 140 yards on 28 carries, while Kinston was led by Daniel Sims with 45 yards on 13 totes and Jonathan Spears with 37 yards on only 5 tries.

Pd. Pol. Adv. by Malcolm Brassel 115 Brantwood Montgomery, AL 36109

Dear Citizen Of the Twelfth Judicial Circuit (Coffee and Pike Counties)

I have attempted to personally see each and every one of you. However, our Judicial Circuit is too large for me to accomplish this effort. I want to ask each of you to vote for me on November 3, 1992.

I believe that above all our judiciary must be fair and impartial, administering equal justice to all. It is this belief—JUSTICE ABOVE ALL—that I want to communicate to you.

While this election is not only important to me, it is important to each of you. Due to the importance of the election I urge each of you to vote on November 3, 1992.

Sincerely,

*Bar*

**STATE OF ALABAMA  
DEPARTMENT OF HUMAN  
ADVANCEMENT FOR REQUEST FOR  
PROPOSALS**

**ADDITIONAL INFORMATION:**

State of Alabama, Department of Resources, is hereby giving no-

The bid shall be submitted on proposal furnished by the Architect, Owner and Montgomery Builders Exchange. All bidders bidding in amounts exceeding \$100,000 must submit a certified check or cash in the amount of \$10,000 as required by Provisions of Title 34, Chapter 8, § 8-109, Alabama Code, 1975. The bidder's check must be deposited after scheduled closing for recording of the contract. If the bidder fails to deposit the check, the Owner reserves the right to refuse to award the contract and to make informal negotiations.

Specifications and Contract Documents are open to public inspection at the office of the Architect, Owner and Montgomery Builders Exchange. Contractors requesting copies of Specifications may obtain them by submitting to the Architects' Office a check for \$10.00 per set. Upon receipt, each bidder must submit a check for \$25.00 which will pay for the entire set of Specifications. Plans for the proposed project are available for review during business hours. Deposit is refundable less handling charges. Bids and documents are returned to the Architect's Office. Consideration of bids begins on the date of bid opening. Other sections of the contract documents may be obtained by submission of a check for \$10.00 per set. A refundable deposit, less the cost of printing and handling charges, will be made available to the successful bidder.

A. Provide "Aluminum Plank" for the administration and management of the Child Day Care Program are now being constructed by the Alabama Department of Child Care Resources and Personnel. Any other qualified agencies (individuals, partners, or other qualified agencies) interested in submitting a proposal to provide day care services for children under three years of age must submit a proposal to the following regions (indusive of all counties listed below). Each geographic area has been divided into the following regions:

- (inclusive of all counties)
- Lauderdale, Limestone, Colbert, Pike, Morgan, Wilcox, Crenshaw, Choctaw, Marion, Lamar, Fayette, Pickens, Wilkerson, Baldwin, Washington, Greene, Hale, Perry, Chocoma, Madison, Tallapoosa, Dale, Washington, Clarke, Monroe, Blount, Jefferson, Shelby, Lawrence, Wilcox, Crenshaw, Pike and Baldwin
- Mobile, Baldwin, Barbour and Randolph Counties, Talladega, Clay, Jackson, Wilcox, Baldwin, Washington, Calhoun and Cliburne Counties

B. Interested party may obtain the information needed to submit a proposal by contacting the Alabama Department of Child Care Resources, Office of Social Service Administration, 600 North Capitol Avenue, Alabama, 36103-1801, or by telephone, (205) 353-1234. Proposals must be received by 1 p.m. (CST) November 1992.

Accepted after this date and time.  
Proposals must be received  
by 4 p.m. (CST) De-  
cember 1, 1992.

[illegible]

and deliver a note or notes  
aggregate principal amount not in  
excess of \$1,000,000 under said line of  
credit.

Probate Court of Coffee  
County is hereby given that all  
pending claims against said estate  
must be presented to the court  
within 90 days of the date  
allowed by law or the same  
will be barred.

## Timberland for sale

MacMillan Bloedel Timberlands Inc. is selling 13,429 acres of prime timberland and hunting property in south Alabama. The property is located in Pike, Crenshaw, and Covington Counties. The land is in 32 blocks ranging from 7 acres to 2,256 acres. Each block contains growing timber, and many blocks offer potential from timber and hunting lease income. The property is offered for sale by sealed bids only.

Bids will be opened on December 9, 1992.

For information and a bid package, contact:

Thomas D. Glass  
MacMillan Bloedel Timberlands  
P.O. Box 4840  
Montgomery, Alabama 36103  
(205)241-9185
